WELCOME!

Since 1898 the annual Murwillumbah Agricultural Show has provided the Tweed Shire community with great family entertainment, top level competition and a showcase of local products and services. Approximately 15,000 people visit the Show each year with many commercial exhibitors showcasing their products and services. We are hoping you will join us in making this a memorable event.

MURWILLUMBAH and TWEED SHIRE

Identified as being in the top ten of the most desirable places to live in Australia, based on natural beauty, property values, welcoming locals and good infrastructure, the picturesque township of Murwillumbah is located in the centre of the stunning Tweed Valley on the far north coast of New South Wales, just 15 minutes from the pristine beaches of the Tweed Coast, 30 minutes south of the Gold Coast and 40 minutes north of Byron Bay. Tweed Shire covers 1,303 square kilometres and adjoins the NSW shires of Byron, Lismore and Kyogle, with the NSW/Queensland border to its north where it divides the twin towns of Tweed Heads and Coolangatta. The Tweed's population is approximately 99,099. The population is estimated to reach more than 134,000 by 2041. Our diverse population is geographically spread between urban communities, coastal and rural towns and more than fifteen villages. Watched over by the awe inspiring majesty of Mt Warning, and surrounded by 5 World Heritage National Parks, the countryside around Murwillumbah is a blend of rolling green hills and gently flowing rivers, punctuated with pockets of sugar cane, banana plantations, hobby farms and small village communities.

ACCOMMODATION

Set on the Tweed River, Murwillumbah is a major centre within the Northern Rivers area. A popular holiday destination for road-trippers and backpackers, a journey along the scenic Tweed Valley Way brings you to this buzzing town of art deco architecture and laid-back country hospitality. Murwillumbah makes a great base for exploring nearby towns and villages especially with the recently opened Rail Trail which runs between Murwillumbah and Crabbes Creek. Accommodation options in the area include hotels and motels, cabins and cottages, holiday parks and self-contained accommodation.

DATES

The 2024 Murwillumbah Show will be held on Friday the 1st November 2024 and Saturday the 2nd November 2024.
